

**CITY OF HAZELWOOD  
REGULAR COUNCIL MEETING  
JUNE 3, 2026**

**CALL TO ORDER**

A regular meeting of the Hazelwood City Council was called to order by Mayor Matthew G. Robinson at 6:30 p.m. on Wednesday, June 3, 2026, in the Council Chambers of Hazelwood City Hall, 415 Elm Grove Lane.

Mayor Robinson asked those present to join in a moment of silent meditation followed by the Pledge of Allegiance.

On roll call the following members of the Council were present:

Lisa Simpson  
Robert C. Smith  
Jen Hatton  
William C. Hoops, Jr.  
Charles McGhee  
Lesli M. Henderson  
Kevin Foley  
Matthew G. Robinson  
Lisa M. Matlock

City Clerk Julie Lowery declared a quorum was present. Also present were Interim City Manager Police Chief James Hudanick and City Attorney Kevin O'Keefe.

**AGENDA**

Mayor Robinson moved, seconded by Mr. McGhee to amend the agenda by adding a Proposition 1 update under Special Order of Business. The motion passed unanimously.

Ms. Matlock moved, seconded by Mr. McGhee, to adopt the agenda as amended. The motion passed unanimously.

**CONSENT AGENDA**

Ms. Matlock moved, seconded by Mrs. Henderson, the adoption of the consent agenda as printed. The following vote was recorded on the motion:

AYE - 9

NAY - 0

Mrs. Simpson  
Mr. Smith  
Ms. Hatton  
Mr. Hoops  
Mr. McGhee  
Ms. Henderson

Mr. Foley  
Mayor Robinson  
Ms. Matlock

The motion passed unanimously, and the consent agenda was adopted.

**APPROVAL OF  
MINUTES**

Ms. Matlock moved, seconded by Mrs. Henderson, to approve the minutes of the May 6 and May 20 regular and closed Council meetings as submitted. The motion passed unanimously.

**SPECIAL ORDER OF BUSINESS**

**PROPOSITION 1  
UPDATE**

Cordell Whitlock of Vector Communications provided an update regarding public information and community outreach efforts related to Proposition 1, the August 4, 2026 ballot measure concerning construction of a new fire station.

Mr. Whitlock explained that Vector Communications has been retained to develop and implement a public education plan to provide residents with factual information regarding the proposed bond issue. Mr. Whitlock reported that a dedicated Proposition 1 website was being developed and would include frequently asked questions, written information, photographs of the existing fire station, and video responses addressing common questions from residents. Mr. Whitlock also announced plans for a Citizens Committee meeting to be held the following week and advised that Vector Communications would participate in the meeting to provide information and answer questions from residents.

Additionally, he reported that an open house was scheduled for July 11, 2026, at Firehouse No. 1 to allow residents an opportunity to tour the facility, speak with firefighters, and view existing conditions firsthand.

**EMPLOYEE  
INTRODUCTIONS**

Police Captain Andrew Eagan introduced newly hired Police Records Clerk Shannon Grace and Building Inspector Michael Royster.

**AMEREN  
EASTERN GRID  
TRANSFORMATION  
PROJECT**

Toy Franklin of Ameren Missouri introduced representatives from Ameren's transmission division and advised the Council of upcoming public outreach efforts related to the Eastern Missouri Grid Transformation Project.

Ms. Franklin encouraged residents to participate in upcoming open houses and advised Council members to contact her directly regarding concerns related to Ameren services or project communications.

Ameren representatives Jim Jontry and John Hitchcock provided an overview of the Eastern Missouri Grid Transformation Project, a regional electric transmission

improvement project developed through the Midcontinent Independent System Operator (MISO) planning process. The project would construct approximately 130 miles of new 345-kilovolt transmission lines extending through portions of northeastern Missouri, St. Charles County, St. Louis County, and the City of St. Louis to improve electric system reliability, resiliency, and long-term energy delivery capacity.

Mr. Foley asked whether Ameren would be acquiring additional property or utilizing existing transmission corridors.

Mr. Jontry replied that existing transmission structures would be removed and replaced within the current corridor. However, limited additional right-of-way could be necessary to safely accommodate the larger transmission facilities and required clearances.

Information regarding the project, including maps, schedules, and contact information, is available through Ameren's project website and public outreach materials.

## **PROCLAMATIONS AND RESOLUTIONS**

**RETIREMENT PROCLAMATION** Mayor Robinson called for the reading of a proclamation expressing recognition and appreciation to retiring Police Sergeant Timothy Benning.

Interim City Manager Chief Hudanick recognized Sergeant Benning upon his retirement following more than 43 years of law enforcement service. Chief Hudanick expressed appreciation for Sergeant Benning's dedication to the department and the community and wished him a long and healthy retirement.

There were no objections, and Proclamation 2609 was read.

Mrs. Henderson moved, seconded by Mr. Hoops, the adoption of Proclamation 2609 expressing recognition and appreciation to Police Sergeant Timothy Benning for 37 years of dedicated service to the citizens of Hazelwood and extending sincere good wishes for a happy retirement. The motion passed unanimously.

## **CITIZENS HEARINGS AND PRESENTATION OF PETITIONS**

Mayor Robinson explained the procedures to be followed during a hearing. He invited anyone desiring to make a comment to come forward at this time.

**GREEN COMMITTEE RECOGNITION** Ron Simpson of 8421 Jacklin Avenue recognized and thanked the Green Committee Board for their efforts in community cleanup and beautification activities throughout the City.

**AGENDA PACKET & RFPD LITIGATION** Linda Royal of 7317 Berkridge Drive asked the Council to consider making public access to the agenda packets.

She also inquired about legal expenses associated with litigation involving the Robertson Fire Protection District (RFPD) and requested additional information regarding costs incurred by the City.

**CCE IMPROVEMENTS  
DELS PROJECT, &  
YOUTH PROGRAMS**      Quinton Spurlock of 7049 Laupher Lane expressed concerns regarding the condition of flooring at Civic Center East and requested an update on planned improvements.

He also expressed concerns regarding compliance and enforcement matters related to the DELS redevelopment project. Mr. Spurlock encouraged the City to continue investing in youth recreation programs and community facilities that benefit Hazelwood residents.

## **PUBLIC HEARINGS**

**SLUP  
7226 N. LINDBERGH  
BOULEVARD**      Mayor Robinson called to order the public hearing to consider the petition by The North St. Louis County Inter Group Office, Inc., for a Special Land Use Permit for a social assistance establishment at 7226 North Lindbergh Boulevard.

City Planner Cecile Denny stated North St. Louis County Intergroup Office utilizes space at 7226 North Lindbergh Boulevard to facilitate Alcoholics Anonymous meetings and related recovery services. In addition to hosting regular meetings and occasional events, the organization operates a telephone answering service for individuals struggling with alcohol addiction and maintains a bookstore offering literature related to sobriety and recovery. The office is staffed Mondays, Wednesdays, and Fridays from 8 a.m. to 2 p.m., with meetings occurring throughout the week. Meeting attendance generally ranges from 10 to 20 participants, although may reach as many as 60 individuals for certain meetings. The 4,840-square-foot facility is located within a larger 3.96-acre office and storage complex.

Mr. Edwin Lips, representing North County Intergroup Office, stated the organization has operated in Hazelwood since 1980 and has occupied its current location for approximately 17 years. He explained that the organization provides a safe place for recovering alcoholics to meet, offers assistance through a staffed telephone line, and helps connect individuals with sponsors, recovery resources, and treatment options

Mayor Robinson asked if anyone present wished to speak in favor of or in opposition to the proposal.

No one spoke in favor of or in opposition to the proposal, and Mayor Robinson declared the hearing closed.

Ms. Lowery read the City Plan Commission motion “to recommend approval to the City Council of the petition for a social assistance establishment located at 7226 North Lindbergh Boulevard, Ward 2.” She stated the motion passed unanimously.

Mr. Foley moved, seconded by Mr. McGhee, to concur with the City Plan Commission recommendation to grant the Special Land Use Permit for a social assistance establishment at 7226 North Lindbergh Boulevard and to place the draft bill on this agenda for introduction. The motion passed unanimously, and the bill was added to the agenda as item 17.a.

SLUP EXPANSION                      Mayor Robinson called to order the public hearing to  
7023 HOWDERSHELL                  consider the petition by The Two Lokos for an expansion of  
SUITE C                                      their Special Land Use Permit for a restaurant to increase the  
square footage of the restaurant.

Ms. Denny stated The Two Lokos are seeking approval to expand their existing restaurant operation into the adjacent tenant space formerly occupied by Potter's House Hazelwood Church. She explained that the business originally operated as a meat market and grocery store before receiving a Special Land Use Permit in 2022 to operate a taqueria-style restaurant. The proposed expansion would add approximately 2,300 square feet of dining and retail space to the existing 1,400-square-foot restaurant, providing additional seating and retail display areas.

Owner Jose Manuel Avalos stated the business has experienced continued growth and customer demand since opening. He explained that the additional space would be used for expanded dining accommodations and retail displays featuring western-themed merchandise.

Mayor Robinson asked if anyone present wished to speak in favor of or in opposition to the proposal.

Joanie Hoscher of 535 Holiday Avenue spoke in support of the request and stated she enjoyed the restaurant and supported its continued expansion.

There being no further comments, Mayor Robinson declared the hearing closed.

Ms. Lowery read the City Plan Commission motion "to recommend approval to the City Council of the petition for a Special Land Use Permit expansion of Ordinance 4913-22 to increase the square footage of the restaurant at 7023 Howdershell Road, Suite C, Ward 7, with the following conditions:

1. The owner shall be required to maintain a fully functioning video recording system on the property to ensure the safety of guests, to deter criminal activity, and to assist law enforcement in following up on reported criminal activity. The cameras should be set up to accurately record entry/exit doors from the inside, any area where money may be handled or stored inside the business, and a view of the parking lot from the front door of the business. The system shall be checked by the owner on a weekly basis to ensure proper functionality and the owner shall be responsible for making any appropriate repairs as soon as reasonably possible upon determining a defect in operation. The owner/operator shall agree to make

the recording data available to law enforcement upon request. Recordings shall be saved and able to be retrieved for a minimum of 30 days.

2. Installation of hookah equipment or smoking of hookah shall be prohibited.
3. Public access shall be prohibited through the rear doors.”

She stated the motion passed unanimously.

Mr. Smith moved, seconded by Mr. Hoops, to concur with the City Plan Commission recommendation to grant the expansion of the Special Land Use Permit for a restaurant to increase the square footage of the restaurant and to place the draft bill on this agenda for introduction. The motion passed unanimously and the bill was added to the agenda as item 17.b.

**SIGN VARIANCE** Mayor Robinson called to order the public hearing to consider  
**6105 HOWDERSHELL** the application received from West Community Credit Union for a variance to permit an increase in the allowable wall sign area from 5% to 5.52% of the building elevation.

Ms. Denny stated Piro Signs, on behalf of West Community Credit Union, is requesting a variance from the City's sign regulations to permit a wall sign exceeding the allowable five percent wall area limitation. The proposed south-facing sign would contain approximately 64.36 square feet, representing 5.52 percent of the wall elevation compared to the maximum allowable five percent. She explained that the sign would face Dunn Road and Interstate 270 and would serve as the credit union's only identifying signage visible from the south. Ms. Denny advised that staff determined the request would not adversely impact traffic, parking, public utilities, neighborhood character, or public safety.

Joe Phillips of Piro Signs stated the requested variance would improve visibility from Interstate 270 while eliminating the need for an additional freestanding ground sign on the property. He noted the request exceeded the code requirement by slightly more than one-half of one percent and would result in a more attractive overall site appearance.

Mayor Robinson asked if anyone present wished to speak in favor of or in opposition to the proposal.

Quinton Spurlock of 7049 Laupher Lane questioned whether similar variances had been granted to other businesses and expressed concerns regarding granting exceptions to established City regulations.

There being no further comments, Mayor Robinson declared the hearing closed.

Mr. Foley moved, seconded by Mr. McGhee, to grant a 0.52 percent variance of the maximum wall sign area regulation to permit a 64.36 square foot wall sign on the south elevation at 6105 Howdershell Road. The motion passed unanimously.

PROPOSED F.Y.  
BUDGET 2026/2027

Mayor Robinson called to order the public hearing to consider the proposed budget for fiscal year 2026/2027.

Interim City Manager Chief Hudanick reviewed several revisions made since the April budget workshop, including the addition of a three percent cost-of-living adjustment for employees, reallocation of the City Manager salary and benefits to the General Fund, increased funding for Hazelnuts, the addition of electrical improvements at several City parks, and the transfer of the Civic Center East gym floor replacement project to fiscal year 2027. Chief Hudanick also advised that proposed Economic Development and Assistant City Manager positions had been removed from the budget at this time. He further discussed staff's review of City finances and operations and reported that previously unaccepted Missouri opioid settlement funds had been identified during the budget review process.

Finance Director Brandi Enzwiler presented an overview of the proposed budget and reviewed projected revenues, expenditures, fund balances, capital improvements, debt obligations, and personnel assumptions. Mrs. Enzwiler reported the City is projected to end FY26 with a General Fund balance of approximately \$24.2 million and begin FY27 with projected revenues of approximately \$52.1 million and expenditures of approximately \$56.2 million. She explained that a significant portion of the projected increase was attributable to Federal Emergency Management Agency (FEMA) flood buyout activities that had been delayed from FY26 to FY27. Mrs. Enzwiler also reviewed revenue projections, employee compensation assumptions, health insurance costs, reserve fund levels, major infrastructure projects, vehicle replacement needs, and anticipated debt retirement for the Aquatic Center and Cabela's Museum obligations.

Mr. Smith asked when the City would begin receiving revenues if the proposed St. Louis County use tax measure was approved by voters.

Mr. O'Keefe replied that any revenue generated from the measure would likely not be received until FY28 due to implementation and collection timelines.

Quinton Spurlock of 7049 Laupher Lane requested additional information regarding the City's projected decline in reserve balances and questioned whether long-range projections had been prepared beyond FY27. He also expressed concerns regarding the level of funding allocated to recreation programs and youth services and encouraged the City to continue investing in parks, recreation facilities, and youth opportunities.

Linda Royal of 7317 Berkridge Drive asked about the City's use of fund balances to support projected deficit spending and asked how many future years reserves could continue to absorb budget deficits.

Jessica Platt of 512 Foxtrail Drive expressed support of increased recreational programming and community amenities. She encouraged the City to continue investing in activities and facilities that serve youth, adults, and senior residents and expressed

AMEREN MISSOURI OPEN HOUSE NOTICE      A notice of an in-person open house regarding the Eastern Missouri Grid Transformation Project was received from Ameren Missouri.

EWGCG BRIEFINGS      The May 28 issue of Briefings was received from the East-West Gateway Council of Governments.

Ms. Matlock moved, seconded by Mrs. Henderson, to refer the petitions to the City Plan Commission and to receive and file all communications. The motion passed unanimously.

**UNFINISHED BUSINESS - None**

**MAYOR AND COUNCIL REPORTS**

WORK SESSION AGENDA ITEMS      No items were added to the July 8 Council work session agenda.

Mr. Smith stated he would like the Council to consider eliminating the regularly scheduled odd-month work sessions and instead conduct a dedicated quarterly work session with the City Manager to discuss City operations, challenges, priorities, and departmental updates. He stated that additional work sessions could be scheduled as needed.

Mr. Foley expressed disagreement with reducing the number of work sessions and stated he believed more frequent meetings were necessary to address ongoing issues within the City and to improve communication between the Council and staff.

Mayor Robinson stated that work sessions were originally established to provide a predictable schedule for Council members and staff and explained that the second Wednesday of the month had been designated as a potential meeting date for work sessions, town hall meetings, or other special meetings when needed.

BOARD AND COMMISSION APPTS.      Ms. Lowery advised the Council that several boards and commissions currently have vacancies and expired terms.

She reported that the Historic Preservation Commission presently lacks sufficient membership to establish a quorum and that the Neighborhood Watch Commission may also face quorum issues if vacancies are not filled.

CITY MANAGER EXEC. SEARCH FIRM REPORT      Ms. Lowery reviewed information regarding executive search firms for the recruitment of the City's next City Manager.

She reported that, at the Council's request, information had been compiled regarding several firms experienced in conducting municipal executive searches and outlined potential next steps, including requesting proposals, conducting interviews, obtaining references, and evaluating qualifications and costs.

Mayor Robinson thanked Ms. Lowery for preparing the information and suggested narrowing the list of firms to three finalists and requesting proposals for Council review.

Mr. Foley questioned the anticipated cost of retaining a search firm and inquired whether the recruitment process could be conducted internally.

Ms. Lowery explained that the appointment of the City Manager is the responsibility of the City Council under the Charter and that outside firms are commonly utilized to assist municipalities with executive recruitment efforts. Discussion was held regarding whether proposals should be requested from three or five firms. Consensus was reached to proceed with obtaining proposals from three firms under consideration.

**CITY MANAGER JOB DESCRIPTION** Ms. Lowery reported that the City historically has not maintained a formal written job description for the City Manager position and has instead relied upon the powers and duties established by the City Charter.

She advised that staff reviewed job descriptions utilized by comparable Missouri municipalities and prepared a draft administrative job description intended to outline professional expectations, leadership responsibilities, organizational duties, and qualifications for the position while remaining consistent with the Charter.

Mayor Robinson requested that Council members review the draft and provide comments and recommendations for future discussion.

### **CITY MANAGER'S REPORT**

**CHAPTER 100 JARRELL CONTRACTING** Interim City Manager Chief Hudanick reported staff recommends the issuance of Chapter 100 taxable industrial bonds for Jarrell Contracting.

Interim City Manager Chief Hudanick stated that Jarrell Contracting Company is requesting final approval of a Chapter 100 Industrial Revenue Bond transaction associated with construction of a new headquarters facility at 4875 Park 370 Boulevard. He stated that the project would include acquisition and development of approximately 12.73 acres and construction of an approximately 191,200-square-foot facility to house office operations, fabrication facilities, storage, training areas, and support functions. The project represented an investment exceeding \$40 million and would consolidate the company's existing operations into a single Hazelwood location.

Lydia Meyer, Marketing Coordinator for Jarrell Contracting, provided an overview of the company and discussed its history, services, workforce, and future growth plans. Ms. Meyer reported that the company currently operates from three separate facilities and employs more than 400 employees. She explained that the proposed headquarters would improve operational efficiency, support future expansion, and create additional employment opportunities. Ms. Meyer advised that the project is expected to retain the

company's existing workforce while creating more than 100 additional jobs and increasing office and on-site employment opportunities. She also reviewed conceptual site plans, building renderings, and operational benefits associated with the project.

Mr. Smith moved, seconded by Ms. Hatton, to concur with the staff recommendation for issuance of Chapter 100 taxable industrial bonds for the Jarrell Contracting Project and to place the draft bill on this agenda for introduction. The motion passed unanimously, and the bill was added to the agenda as item 17.d.

**FY 2027 FUEL PURCHASE** Public Works Director Jason Carothers reported staff recommends the purchase of gasoline and diesel fuel for City vehicles and equipment for fiscal year 2027 from Energy Petroleum Company at a rate of \$.0600 per gallon for profit and delivery.

Mr. Carothers stated two bids were received. The lowest responsive bid is Energy Petroleum Company.

Mrs. Henderson moved, seconded by Ms. Matlock, to concur with the staff recommendation to authorize the purchase of gasoline and diesel fuel during fiscal year 2027 from Energy Petroleum Company at a rate of \$.0600 per gallon for profit and delivery. The motion passed unanimously.

**2027 EMPLOYEE HEALTH INSURANCE** Interim City Manager Chief Hudanick reported staff recommends purchasing employee health insurance from Anthem Blue Cross Blue Shield via the St. Louis Area Insurance Trust (SLAIT).

Interim City Manager Chief Hudanick stated that employee health insurance coverage is currently provided through Anthem Blue Cross Blue Shield via SLAIT. He advised that health insurance premiums would increase by four percent effective July 2026. He further reported that dental, life, long-term disability, and vision insurance rates would remain unchanged under existing agreements.

Ms. Matlock moved, seconded by Mrs. Simpson, to concur with the staff recommendation to purchase health insurance from Anthem Blue Cross Blue Shield via the St. Louis Area Insurance Trust (SLAIT). The motion passed unanimously.

#### **CITY ATTORNEY'S REPORT - None**

#### **CITY CLERK'S REPORT**

**CHARTER REVIEW COMMITTEE** Ms. Lowery reminded Council members that appointments were still needed for the Charter Review Committee and requested that members submit their recommended appointees.

She stated that she had received several names but was still awaiting responses from some Council members. Ms. Lowery clarified that the committee would serve in an advisory capacity to assist the Council in its consideration of potential Charter revisions and would not function as an independent Charter Commission.

## **COMMISSION AND BOARD REPORTS - None**

## **NEW BUSINESS**

**ELECTRIC BIKES & MOTORIZED DEVICES** Mrs. Henderson reported that several residents had contacted her regarding the increasing use of electric bicycles and similar motorized devices by children and teenagers throughout the community.

She expressed concern regarding safety issues associated with excessive speeds, failure to observe stop signs and traffic control devices, and the potential for serious accidents involving young riders. Mrs. Henderson stated that some electric bicycles appear capable of speeds exceeding those typically associated with traditional bicycles and questioned whether existing City ordinances adequately address their operation.

Mrs. Henderson further inquired about regulations adopted by neighboring municipalities and referenced communities that have established classifications for electric bicycles based upon speed and operating characteristics. She requested that staff review ordinances adopted by other cities and provide information regarding potential regulatory options available to Hazelwood.

Interim City Manager Chief Hudanick stated that staff would research the issue, review approaches utilized by other municipalities, and provide a report for future Council consideration.

## **INTRODUCTION AND FIRST READING OF BILLS**

**SLUP 7226 N. LINDBERGH** Mayor Robinson called for the first reading of a bill to grant a Special Land Use Permit for a social assistance establishment at 7226 North Lindbergh Boulevard.

There were no objections and Bill 5226 was read by title only:

**AN ORDINANCE AUTHORIZING AND GRANTING A PERMANENT SPECIAL LAND USE PERMIT TO THE NORTH ST. LOUIS COUNTY INTER GROUP OFFICE INC. FOR A SOCIAL ASSISTANCE ESTABLISHMENT AT 7226 NORTH LINDBERGH BOULEVARD AND PROVIDING THE CONDITIONS OF SUCH USAGE.**

Bill 5227 will be on the agenda for second reading on June 17.

PROPOSED F.Y.                      Mayor Robinson called for the first reading of a bill to approve  
BUDGET 2026/2027                      the fiscal year 2026/2027 budget.

There were no objections and Bill 5228 was read by title only:

**AN ORDINANCE APPROVING THE BUDGET OF THE CITY OF HAZELWOOD, MISSOURI, FOR FISCAL YEAR 2026-2027 AND APPROPRIATING THE SUMS CONTAINED THEREIN FOR THE PURPOSES AND OBJECTS THEREIN.**

Bill 5228 will be on the agenda for second reading on June 17.

CHAPTER 100                      Mayor Robinson called for the first reading of a bill to authorize  
JARRELL                                      the issuance of Chapter 100 bonds for the Jarrell Contracting  
CONTRACTING                              Project.

There were no objections and Bill 5229 was read by title only:

**AN ORDINANCE AUTHORIZING THE CITY OF HAZELWOOD, MISSOURI, TO ISSUE ITS TAXABLE INDUSTRIAL REVENUE BONDS (JARRELL CONTRACTING PROJECT), SERIES 2026, IN A PRINCIPAL AMOUNT NOT TO EXCEED \$40,000,000 FOR THE PURPOSE OF PROVIDING FUNDS TO PAY THE COSTS OF ACQUIRING, CONSTRUCTING AND IMPROVING AN INDUSTRIAL DEVELOPMENT PROJECT IN THE CITY; AND AUTHORIZING THE CITY TO ENTER INTO CERTAIN AGREEMENTS AND TAKE CERTAIN OTHER ACTIONS IN CONNECTION WITH THE ISSUANCE OF THE BONDS.**

Bill 5229 will be on the agenda for second reading on June 17.

**SECOND READING OF BILLS AND ACTION ON BILLS - None**

**MISCELLANEOUS BUSINESS AND ANNOUNCEMENTS**

**COUNCIL MEETING** Mayor Robinson announced the next regular Council meeting would be held Wednesday, June 17, at 6:30 p.m. in the Council Chambers.

**ADJOURNMENT** There being no further business to come before the Council, the meeting was adjourned at 8:23 p.m.
