

**CITY OF HAZELWOOD
REGULAR COUNCIL MEETING
SEPTEMBER 4, 2024**

CALL TO ORDER

A regular meeting of the Hazelwood City Council was called to order by Mayor Matthew G. Robinson at 6:30 p.m. on Wednesday, September 4, 2024, in the Council Chambers of Hazelwood City Hall, 415 Elm Grove Lane.

Mayor Robinson asked those present to join in a moment of silent meditation followed by the Pledge of Allegiance.

On roll call the following members of the Council were present:

Kelly Wadlow
Matthew G. Robinson
Lisa M. Matlock
Warren H. Taylor
Robert C. Smith
Jen Hatton
William C. Hoops, Jr.
Robert M. Aubuchon

City Clerk Julie Lowery declared a quorum was present. Also present were City Manager Matt Zimmerman and City Attorney Kevin O'Keefe.

AGENDA

There being no amendments proposed, Ms. Matlock moved, seconded by Mr. Taylor, the adoption of the agenda as printed. The motion passed unanimously.

Mr. Taylor moved, seconded by Ms. Wadlow, the adoption of the consent agenda as printed. The following vote was recorded on the motion:

AYE - 8

NAY - 0

Ms. Wadlow
Mayor Robinson
Ms. Matlock
Mr. Taylor
Mr. Smith
Mrs. Hatton
Mr. Hoops
Mr. Aubuchon

The motion passed unanimously and the consent agenda, including a closed meeting immediately following the regular meeting to discuss personnel matters in accordance with the provisions of RSMo 610.021(3), was adopted.

**APPROVAL OF
MINUTES**

Mr. Taylor moved, seconded by Ms. Wadlow, to approve the minutes of the August 21 regular and closed Council meetings as submitted. The motion passed unanimously.

SPECIAL ORDER OF BUSINESS

**COMMISSION
OATH OF OFFICE**

Ms. Lowery administered the oath of office to Cynthia Jones who was recently appointed to the Community Enrichment Commission.

**EMPLOYEE
SERVICE AWARDS**

As his biography was read, Police Chief James Hudanick was presented with a 35-year service award.

75TH ANNIVERSARY

Leslie Henderson gave a brief presentation about the plans for the 75th Anniversary events.

Ms. Henderson stated that the celebrations would kick off on Saturday, September 14, coinciding with Hazelwood Day.

PROCLAMATIONS AND RESOLUTIONS

**ELDEST RESIDENT
PROCLAMATION**

Mayor Robinson called for the reading of a proclamation in honor of Raymond Geringer, the eldest resident in Hazelwood.

There were no objections and Proclamation 2416 was read.

Mr. Aubuchon moved, seconded by Mr. Hoops, the adoption of Proclamation 2416 in honor of Raymond Geringer as the eldest resident in Hazelwood. The motion was unanimously adopted.

**LIFETIME RESIDENT
PROCLAMATION**

Mayor Robinson called for the reading of a proclamation for the Lifetime Resident Recognition to Melvin Keeven.

There were no objections and Proclamation 2417 was read.

Mr. Aubuchon moved, seconded by Mr. Hoops, the adoption of Proclamation 2417 recognizing Melvin Keeven as a lifetime resident of Hazelwood. The motion was unanimously adopted.

CELEBRATE SAFE
COMMUNITIES
PROCLAMATION

Mayor Robinson called for the reading of a proclamation supporting participation in the Celebrate Safe Communities event on September 26, 2024.

There were no objections and Proclamation 2418 was read.

Mr. Aubuchon moved, seconded by Mr. Hoops, the adoption of Proclamation 2418 urging all citizens, government agencies, public and private institutions, and businesses to support our Celebrate Safe Communities event on Thursday, September 26, 2024, and calling upon everyone to invest in the power of prevention and community cooperation to ensure the City remains a safe, strong, and caring community where all may safely live, learn, work, and play. The motion passed unanimously.

AMBULANCE SERVICE
FEES RESOLUTION Mayor Robinson called for the reading of a resolution to increase fees for ambulance services.

Fire Chief Dan Luley stated there has been no change in the ambulance user fee charges since 2017. The proposed fees are like other fire departments/districts in St. Louis County. The residents will continue to be “soft” billed and will not have any out-of-pocket expenses.

There were no objections and Resolution 2407 was read by title only:

A RESOLUTION OF THE CITY OF HAZELWOOD, MISSOURI, ESTABLISHING FEES FOR MUNICIPAL AMBULANCE SERVICES.

Mr. Aubuchon moved, seconded by Mr. Hoops, the adoption of Resolution 2407. The following vote was recorded on the motion:

AYE - 8

NAY - 0

Ms. Wadlow
Mayor Robinson
Ms. Matlock
Mr. Taylor
Mr. Smith
Mrs. Hatton
Mr. Hoops
Mr. Aubuchon

Resolution 2407 was unanimously adopted.

CITIZENS HEARINGS AND PRESENTATION OF PETITIONS

Mayor Robinson explained the procedures to be followed during a hearing. He invited anyone desiring to make a comment to come forward at this time.

MOSQUITOES Clara Faatz of 8 Bon Vue Drive stated the news has a reported case of West Nile Virus and would like to know what precautionary measures, if any, the City is taking.

GRASS BURNING Lisa Simpson of 8421 Jacklin Avenue read a letter written by her husband that states concerns regarding grass burning on the school grounds behind their property.

Mrs. Simpson and her husband witnessed a fire being set on the school property on August 29. When they asked why the fire was being set, they were told that the school had instructed them to do so. No one was notified about this event despite the close proximity of homes, which Mr. and Mrs. Simpson considers a hazard. Mr. and Mrs. Simpson are requesting the Mayor, City Manager, and Councilman Taylor take action on this matter.

RESIDENT CONCERN Sharon Dash of 6 Meditation Way Court stated she is concerned that the family at 123 Riverwood Estates Boulevard received a notice the same day that unfit their home after a fire.

Ms. Dash stated the City should have more compassion for victims of a crime, such as arson.

FIBER OPTIC LINES Ava Victorian of 22 Meditation Way Court stated she and her daughter came home to numerous people and vehicles tending to an underground fiber optic installation and feels residents should be safeguarded against people who do not reside in the neighborhood.

COMPLIMENT Don Davidson of 4921 Rose Blossom Lane stated how nice the Cedarbrook neighborhood looks and is thankful to the City for getting the reported code violations handled.

REPORTED CONCERNS Mr. Hoops stated the Palmers of 832 Teson Road could not be here this evening, and they would like the trees trimmed on the north side of Howdershell Park.

Mr. Hoops also requested that the Orban's of 1112 Woodcrest Lane be contacted with information on who maintains the access road behind their home, because there is a dangerous tree along the road.

CODE VIOLATIONS Karen Ebberson of 3746 Dunn Road stated there are many code violations on Candle Light Lane.

DEAD TREE REMOVAL Paul Roberts of 1661 Gerard Park Lane asked if the City is responsible for dead trees or trees in need of trimming.

Mayor Robinson responded the City would get back to him regarding this matter.

**CITY MANAGER'S
STATUS REPORT**

Mr. Zimmerman reported on resident concerns from the August 21 meeting.

Regarding a water heater and couch left by the dumpsters at the apartments on Olian, Mr. Zimmerman stated Code Enforcement contacted the owner of the building, and the items have been removed. In response to complaints about the extremely tall grass at Interstate 270 and the North Lindbergh Boulevard interchange, Mr. Zimmerman stated the City has an agreement with Missouri Department of Transportation (MoDOT) to maintain that interchange in exchange for Hazelwood maintaining the James S. McDonnell Boulevard interchange. MoDOT is supposed to mow Lindbergh at least 4 times per year: in late April/early May, early June, August, and sometime in the fall.

MoDOT Engineer Tabitha Locke was present for questions and explained the mowing cycle, trash pickup, and future developments.

Mr. Smith stated that between September and May, there have been complaints from residents about the condition of the roadway around St. Louis Mills Circle. He has asked MoDOT to monitor that stretch of roadway and its condition.

Ms. Locke responded she would look into that area.

PUBLIC HEARINGS

**2024 PROPERTY TAX
RATES**

Mayor Robinson called to order the public hearing to consider establishment of the 2024 property tax rates.

Assistant City Manager-Finance Dave Tuberty stated Missouri statutes require that the City establish the tax rates for all real and personal property every year. These rates are to be reported to St. Louis County by October 1. The final assessed valuations are expected to be released by the County in mid-September, with final numbers expected to be available for second reading and adoption. This assessed valuation is \$4,368,310 (.63%) higher than last year. Based on the current assessed valuation and the rates shown the projection for property tax revenue is \$4.6 million. Calendar year 2024 is a not reassessment year for St. Louis County, and the change in assessed valuation is a result of growth and exchanges of property. The Debt Service Fund is dropping by 40% due to the general obligation (GO) bonds nearing the end. The Sewer Lateral fee is currently \$20.00 per household and a \$10 reduction is being proposed.

Mr. Smith asked how much of the sewer lateral monies are used on a yearly basis.

Mr. Tuberty replied approximately \$80,000 per year.

Mayor Robinson asked if anyone present wished to speak in favor of or in opposition to the proposal.

Ms. Faatz asked how the senior tax abatement through the County would affect the City.

Mr. Zimmerman responded there is no way to calculate the abatement. Many cities are going to be affected by this.

Mr. O'Keefe stated this is a freeze on taxes for seniors, not a reduction. This would affect any increase in revenue. The County has announced they would be taking applications through next June. He stated the 2025 taxes are what will be affected.

Mayor Robinson declared the hearing closed.

Ms. Matlock moved, seconded by Ms. Wadlow, to establish the 2024 real and personal property tax rates and sewer lateral line repair fee and to place the draft bill on this agenda for introduction. The motion passed unanimously and the bill was added to the agenda as item 17.a.

SUBDIVISION 6105 DUNN ROAD	Mayor Robinson called to order the public hearing to consider a petition for subdivision of 6105 Dunn Road from one lot into two lots.
-------------------------------	--

City Planner Darren May stated the owner has petitioned to divide his 1.20-acre lot at 6105 Dunn Road into a 1.05-acre lot and a 0.15-acre lot. The proposed 1.05-acre lot will contain an existing car wash, and the smaller 0.15-acre lot will contain an existing cell tower. The purpose of the plat is to divide the tract into lots with their own distinct land uses.

Mr. Smith asked how much of the cell tower property is green space.

Owner of Jamestown Investment Company, LP Steven Rees responded that half of the property is the tower and the other half is green space with an approximately 10-foot sidewalk.

Mayor Robinson asked if anyone present wished to speak in favor of or in opposition to the proposal.

No one spoke in favor of or in opposition to the proposal and Mayor Robinson declared the hearing closed.

Mrs. Lowery read the City Plan Commission motion "to recommend approval to the City Council of the petition to divide one lot into two lots called, "JAMESTOWN INVESTMENT RESUBDIVISION IN U.S. SURVEYS 134 & 135 OF ST. FERDINAND COMMONS" at 6105 Dunn Road, Ward 2." She stated the motion passed unanimously.

Mr. Aubuchon moved, seconded by Mr. Hoops, to concur with the City Plan Commission recommendation to authorize the subdivision of 6105 Dunn Road to divide one lot into

two lots and to place the draft bill on this agenda for introduction. The motion passed unanimously and the bill was added to the agenda as item 17.b.

SLUP
8701 DUNN ROAD

Mayor Robinson called to order the public hearing to consider a Special Land Use Permit for a handball/racquetball court facility at 8701 Dunn Road.

Mr. May stated the petitioner plans to renovate the former Kids World Gymnastics building located at 8701 Dunn Road to operate a 24-hour handball facility. Spaulding Racquetball Club originally constructed the 19,000 square foot building in 1974. In 1985, it became the Hazelwood Racquetball Club and Fitness Center. The facility operated as a sports therapeutic massage facility from 1991 to 2005 when it became a children's activity center. Handball tournaments and league events will be held at the facility. On the proposed site plan, the number of parking spaces will increase to 75, which is 45 more than the minimum number required. The proposed landscape plan does not meet two minimum requirements of the City code. At least one canopy tree per every twenty feet and/or one under story tree per every twenty feet is required adjacent to parking lots. No new trees are proposed to be planted adjacent to the eastern side of the parking lot, due to the existence of dense foliage in this area. Where the rear or side yard of an Industrial Zoning District abuts an R-6 Multiple Dwelling District, there shall be provided a ten-foot-wide planting strip extending the length of the lot adjoining the R-6 district. The proposed lighting plan conforms to the minimum requirements established by the City code. The floor plan indicates new amenities such as a hot tub, steam room, sauna, and new bathroom and locker room facilities. The trash enclosure has been relocated and will be properly enclosed for compliance with the code.

Attorney William Goldstein and owner of Missouri State Handball Association, Jeff Striebig was available for questions.

Ms. Matlock asked how many courts the facility would have.

Mr. Striebig responded 10.

Mayor Robinson asked if anyone present wished to speak in favor of or in opposition to the proposal.

No one spoke in favor of or in opposition to the proposal and Mayor Robinson declared the hearing closed.

Mrs. Lowery read the City Plan Commission motion "to recommend approval to the City Council of the petition for a handball/racquetball court facility at 8701 Dunn Road, Ward 5 with the following conditions:

1. All renovations to the building shall be performed in accordance with the 2021 International Building Code and International Fire Code.
2. At staff's discretion in the future, the applicant may be asked to inquire into the possibility of utilizing parking spaces at the Church lot to the west during special

events. If this becomes a necessity, a walkable pathway will then need to be installed between the two parking lots. The applicant has stated that they are already considering this possibility.

3. The owner shall be required to maintain a fully functional video recording system on the property to ensure the safety of guests, to deter criminal activity, and to assist law enforcement in following up on reported criminal activity. The cameras should be set up to accurately record entry/exit doors from the inside, any area where money may be handled or stored inside the business, and a view of all areas of the parking lot from the doors of the business. The owner on a weekly basis to ensure proper functionality shall check the system and the owner is responsible to make the appropriate repairs as soon as reasonably possible upon determining a defect in operation. The owner/operator shall agree to make the recording data available to law enforcement upon request. Recordings shall be saved and able to be retrieved for a minimum of 30 days.
4. A variance shall be granted by the Board of Adjustment for landscaping requirements.”

She stated the motion passed unanimously.

Ms. Matlock moved, seconded by Ms. Wadlow, to concur with the City Plan Commission recommendation to grant the Special Land Use Permit for a handball/racquetball court facility at 8701 Dunn Road and the place the bill on the agenda for introduction. The motion passed unanimously and the bill was added to the agenda as item 17.c.

CITY MANAGER'S REPORT

**CONTRACT
IT SERVICES** Chief Hudanick reported staff recommends authorizing a contract with AuditSolv for computer network services for a one-year term at a cost not to exceed \$138,660.

Chief Hudanick stated services include device monitoring and remote/onsite services for maintaining and managing computers, laptops, tablets, servers, network connectivity, cybersecurity frameworks, and functionality. This past year AuditSolv has replaced and upgraded infrastructure that controls every server in the Police Department and City Hall and is currently working on the infrastructure for the City's Data Recovery System. This includes replacing and upgrading the core and adding additional redundancy in case of system failures.

Ms. Wadlow moved, seconded by Ms. Matlock, to concur with the staff recommendation to authorize a contract with AuditSolv for computer network services for a one-year term at a cost not to exceed \$138,660 and to place the draft bill on this agenda for introduction. The motion passed unanimously and the bill was added to the agenda as item 17.d.

**SELF-CONTAINED
BREATHING
APPARATUSES** Fire Chief Dan Luley reported staff recommends the purchase of self-contained breathing apparatuses (SCBA) from Leo Ellebracht Company at a cost of \$187,000.

Fire Chief Luley stated this purchase is critical to ensure the safety and operational effectiveness of firefighters in hazardous environments. SCBA packs are essential safety equipment used by firefighters during operations in environments where the air is contaminated, or oxygen levels are dangerously low. The current SCBA packs in our inventory are nearing the end of their service life and have undergone extensive wear and tear over the years. Regular maintenance has kept them functional; however, the increased frequency of repairs and the aging technology indicate the need for a replacement. Staff recommends approval of the purchase of 22 Scott SCBA packs from the Leo M. Ellebracht Co. for the price of \$187,000.

Mr. Smith asked if all firefighters would be equipped with SCBA packs.

Chief Luley responded affirmatively.

Mr. Aubuchon moved, seconded by Mr. Smith, to concur with the staff recommendation to purchase self-contained breathing apparatuses from Leo Ellebracht Company at a cost of \$187,000. The motion passed unanimously.

**FLOODPLAIN
BUYOUT** Discussion continued regarding the City's application for the buyout of single-family homes in the floodplain in Wards 2.

Mr. Zimmerman stated that the project must be completed within two years of the accepted grant, or by August 1, 2026.

Mr. Aubuchon asked if we should move forward.

Project Development Coordinator Nikki Miller responded affirmatively.

Ms. Matlock asked how many of the homes affected by the flood are vacant.

Ms. Miller responded that two homes in the buyout are vacant and several others that were rental properties have been vacated.

Mr. Smith asked if it is the City's responsibility to handle exterior work at the vacant homes.

Ms. Miller responded affirmatively.

Mr. Smith asked how much of an expense that is to the City.

Mr. Zimmerman responded the expense would be an additional employee and a mower every couple of years.

After further discussions, the Council has decided to accept the grant.

Mr. Aubuchon moved, seconded by Ms. Matlock, to concur with the staff recommendation to accept the grant for the floodplain buyout program. The motion passed unanimously.
